

Sapling Plantation

Date: 14/08/2025

Venue: In front of DEFL

A Sapling plantation programme was organized on 14/08/2025, under the valuable guidance of Dr. A. Muthu Meena Losini, Assistant Professor, Department of English and Foreign Languages. Students from English department actively participated in the programme. They gathered in front Common Wealth block, where saplings of various trees and flowering plants were distributed. Under the supervision of Dr. Muthu Meena Losini, the students planted the saplings in designated area. The enthusiasm of the students was re-markable. The students also ensured that they would water the saplings every day to help them grow healthy. At the end of the programme, refreshments were provided to all participants.
