

REPORT ON
EXTENSION ACTIVITY AT
TRANSGENDER RESOURCE CENTRE, MADURAI

The third year M.com Integrated students of Mother Teresa Women's University, Madurai campus visited the Transgender Resource Centre, Madurai on 6.4.23.

The centre was established with a vision to impart knowledge about transgender in order to generate equal opportunities in all area. The centre empowers the society by providing transformative education, resources and also strengthening the well-being of the Trans community.

The Transgender Resource Center has been set up in order to collect and document the resource available about the Trans community and utilise those document for the social economic and political empowerment of the community.

The Activities carried on by the centre are:

- Running and e magazine to show the activities of their community
- Having a library consisting of more than 200 books in different languages (consisting of Poems, Novels and Autobiographies and, so on), dissertation, paper cuttings on the government orders relating to them
- Welfare Board to claim their rights,
- Trans Film Industry to portray their problems and other issues
- Trans Publication Unit to release their writings
- Trans You Tube Channel
- Trans Social Media Network

Expected Network

1. Translator for their publication to make aware of their status
2. Content Writers
3. Marketing Plan for their products
4. Short film makers
5. Promotional help in social media marketing
6. Library Maintenance
7. Skill training in product development
8. Documentation help
9. Sponsors for their activities and so on.

Work Done Report:

The Students are first welcomed by Mrs. Shalini, Manager of the centre. She explained the status of Transgender in society, the extent of cooperation to be given for their upliftment, the need for establishment of centres and the activities carried and so on.

She insisted that they need to be supported regularly by are means whole heatedly.

Then she assigned the work to be carried on by the students.

All the students divided some groups. Each group consists of four members. And they are asked to arrange the books in the library and they are asked is make entries in the computers the dissertation and theses.
